

## IV SCIENTIFIC AND PRACTICAL CONFERENCE OF THE STUDENT SCIENTIFIC SOCIETY ON THE TOPIC «EDUCATION LEADS TO RESEARCH, RESEARCH TO DEVELOPMENT»

*May 22, 2025 at the Institute of Pharmaceutical Education and  
Research*

*We invite you to take part in the conference*

We are happy to inform all students! The Institute of Pharmaceutical Education and Research has begun accepting abstracts from young scientists who are studying.

You will have the opportunity to defend your scientific work on the report, which will be evaluated by the jury members. Participants who receive the highest marks in their scientific field will be awarded certificates. Scientific abstracts are accepted through the website, until May 3. Further, more detailed conditions for accepting scientific papers are described.

### *Directions*

1. Pharmaceutical technology of medicines
2. Pharmacology and clinical pharmacy
3. Pharmaceutical chemistry and pharmacognosy
4. Chemical sciences
5. Pharmacy management and economics
6. Medical and biological sciences
7. Uzbek and foreign languages

### *About the conference:*

*Formats: 1. Presentation at the conference 2. Presentation online 3. Poster*

### **Having a publication will be useful to you:**

- when applying for a master's degree;
- when applying for a doctoral degree;
- when defending a diploma project;
- when participating in scholarship and grant programs.

5

### **The procedure for submitting abstracts for participation in the conference:**

Abstracts are accepted online via the website [sno.ftti.uz](http://sno.ftti.uz) in one of three languages: Uzbek, Russian and English.

The deadline for submission is May 3, 2025, until 20:00.

The submitted abstracts are reviewed by the editorial board and only the authors of the selected abstracts are notified, the number of authors of the abstracts should not exceed 3, i.e. 1 student and 2 scientific supervisors. In case of exceeding this number, the abstracts will be rejected without notification to the author.

6

Abstracts submitted after the deadline, not formatted in the prescribed manner and/or not corresponding to the topic and direction will not be considered by the editorial board. Materials that do not meet the requirements will not be considered by the organizing committee and will not be returned! The text must be checked and contain no errors. The authors are responsible for the accuracy of the data and the scientific content of the work.

7

### **Requirements:**

1. Document in MS WORD text editor, Times New Roman font, 14 font size, 1 line spacing. Abstracts should be at least 2 pages of typewritten text.
2. Abstract text should be in A4 format, 2 sm top and bottom, 3 sm left, 1.5 sm right.
3. Abstract title is written in capital letters.
4. Figures made in MS Word are not accepted.
5. Authors' names; (Full name of the reporting author is underlined)

8

6. Academic degree (of the supervisor) and place of study (student);
7. Phone number - indicated on the 3rd line (upper right corner, italics, font size 14, 1 space) respectively. Then, leaving 1 space, the main text is written in rows through 1 space.
8. Abstract, keywords (given in the same language).
9. When saving the thesis, the author's surname is written. (Example: Khoshimzhonova.docx)

9

**Contacts:** sno@ftti.uz | (+998) 97 4414182 | Foziljonova Malika Shukhratjanovna

Abstracts are published in paper and electronic form in the "Collection of Abstracts".

The conference program includes plenary (20-30 minutes), sectional (10 minutes) and poster presentations.
